**18. It is hereby certified that the specimens described above:**

a) ☐ were taken from the wild in accordance with the legislation in force in the issuing Member State

b) ☐ are abandoned or escaped specimens that were recovered in accordance with the legislation in force in the issuing Member State

c) ☐ are captive born-and-bred or artificially propagated specimens

d) ☐ were acquired in or introduced into the Union in compliance with the provisions of Council Regulation (EC) No 338/97

e) ☐ were acquired in or introduced into the Union before 1 June 1997 in accordance with Council Regulation (EEC) No 3626/82

f) ☐ were acquired in or introduced into the Union before 1 January 1984 in compliance with the provisions of CITES

g) ☐ were acquired in or introduced into the issuing Member State before the provisions of Regulations (EC) No 338/97 or (EEC) No 3626/82 or of CITES became applicable in this territory

**19. This document is issued for the purpose of:**

a) ☐ confirming that a specimen to be (re-) exported has been acquired in accordance with the legislation in force on the protection of the species in question

b) ☐ exempting for sale Annex A specimens from the prohibitions relating to commercial activities listed in Article 8.1 of Regulation (EC) No 338/97

c) ☐ exempting for display to the public without sale Annex A specimens from the prohibitions relating to commercial activities listed in Article 8.1 of Regulation (EC) No 338/97

d) ☐ using the specimens for the advancement of science/breeding or propagation/research or education or other non-detrimental purposes

e) ☐ authorising the movement within the Union of a live Annex A specimen from the location indicated in the import permit or in any certificate

**20. Remarks**

*I attach the necessary documentary evidence and declare that all the particulars provided are to the best of my knowledge and belief correct.*
*I declare that an application for a permit/certificate for the above specimen was not previously rejected.*
