<sup>i</sup> Any additional commentary/observations can be submitted on separate page

The original hare return form stated a total of 54 hares.

When we arrived on the first day of coursing we were informed that there was a surplus of hares and that they decided to release early 8 hares. 3 went to [REDACTED] and 5 to [REDACTED]. (We were notified on day of coursing) so the total hare number at the start of the event was 46 hares.
