Licence DER-BAT-2025-02

**EUROPEAN COMMUNITIES (BIRDS AND NATURAL HABITATS) REGULATIONS,
2011 (S.I. No 477 of 2011)**

DEROGATION LICENCE

Granted under Regulation 54 of the European Communities (Birds and Natural Habitats) Regulations 2011, hereinafter referred to as “the Habitats Regulations”.

The Minister for Housing, Local Government and Heritage, in exercise of the powers conferred on him by Regulation 54 of the Habitats Regulations hereby grants to **David Smyth of Marine & Freshwater Research Centre, ATU Galway, Dublin Road, County Galway, H91 T8NW**, a licence. It is stated that this licence is issued:

- A. For the purpose of research and education, of re-populating and re-introducing these species and for the breeding operations necessary for these purposes, including artificial propagation of plants
- B. As there is no satisfactory alternative, and the action authorised by this licence will not be detrimental to the maintenance of the population of **bats** referred to below at a favourable conservation status in their natural range.

The licence is issued in respect of the following **bat species**:

- **lesser horseshoe bat** **Rhinolophus hipposideros**

This licence authorises the following:

- (a) Roost disturbance;
- (b) Actions authorised within the licence

This licence is subject to the terms and conditions set out overleaf.

Terms and Conditions

1. This licence is granted solely to allow the activities specified in connection with the works located at **roost sites of Cork, Clare, Galway, Kerry, Limerick & Mayo**, for **David Smyth**.
2. All activities authorised by this licence, and all equipment used in connection herewith, shall be carried out, constructed and maintained (as the case may be) so as to avoid unnecessary injury or distress to any species of **BAT**.
3. This licence may be modified or revoked, for stated reasons, at any time.
4. Licence does not include right of access – owner must be contacted beforehand
5. The applicant will only enter LHB roosts under the guidance of local NPWS staff and the sampling can be done with very minimal disturbance to the bats if any
6. The mitigation measures outlined in the application report (**Appendix 1**), together with any changes or clarification agreed in correspondence between NPWS and the agent or applicant, are to be carried out. Strict adherence must be paid to all the proposed measures in the application.
7. The actions which this licence authorise shall be completed between the **1st January 2025** and **31st December 2025**.
8. The works will be supervised by bat ecologist **David Smyth**
9. If this licence addresses works that are subject of a planning application, no such works permitted under this licence can occur until planning permission is granted.
10. If this licence expires prior to works permitted under this licence commencing, a new application must be sought in advance, including the provision of any updated data or reports.
11. This licence shall be produced for inspection on a request being made on that behalf by a member of An Garda Síochána or an authorised NPWS officer appointed under Regulation 4 of the Habitats Regulations.

12. The local National Parks and Wildlife Service field officer **District Conservation Officer**, must be contacted prior to the commencement of any activity, and if bats are detected on site during the course of the work, under the terms of this licence.
13. On completion of the actions which this licence authorises, all recordings of bat species affected will be made using the standardised data form provided below and must be submitted to the NPWS within four weeks of the expiry date of this licence. Included with the below returns form, a report will also be submitted to wildlife.reports@npws.gov.ie detailing results of works and success of mitigation. Both documents must be submitted to constitute a licence return.
