

Application for Derogation Licence

Under the European Communities (Birds and Natural Habitats) Regulations 2011 – 2021

- This form is to be used by any person applying for a derogation licence under Regulation 54 or by the Minister under Regulation 54(A)
- Please ensure that you answer questions fully in order to avoid delays
- If you experience any problems filling in this form, please contact the Wildlife Licensing Unit;

Email: wildlifelicence@npws.gov.ie

Part A. The Applicant: Personal Details

These questions relate to the person responsible for any proposed works and who will be the **named licensee**. As the licensee you will be responsible for ensuring compliance with the licence and its conditions, even though you may employ another person to act on your behalf.

If this application is being submitted on behalf of a third party please also complete Part B below.

1. (a) Name of Applicant

Title (Mr/Mrs/Miss/Ms/Dr)	Forename(s)	Surname			
	Ronan	Connolly			
(b) Address Line 1	Cumnor Construction Lt	d			
Address Line 2	Stoneview				
Town	Blarney				
County	Cork				
Eircode					
(c) Contact number					
(d) Email address	Ronan.connolly@cumnor.ie				
(e) Address where works are to be carried out if different from (b) above.					
Address Line 1	Duncannon Bridge				
Address Line 2	CC-N72-001.00 (Bridge	ID label)			
Town					
County	Co Cork				
Eircode	Eircode 517988 593188 (grid reference)				

Part B. Details of Person Submitting Application on Behalf of Applicant/Licensee

Information relating to the person (e.g. ecologist) responsible for submitting the application on behalf of the applicant/licensee should be entered below:

1. (a) Name of Person/Ecologist

Title (Mr/Mrs/Miss/Ms/Dr)	Forename(s)	Surname
Dr	Caroline	Shiel
(b) Company Name	Dr Caroline Shiel – Consulting E	Ecologist
Address Line 1	Edenville	
Address Line 2		
Town	Kinlough	
County	Leitrim	
Eircode	F91 R880	
(c) Contact number	087 2851148	
(d) Email address	carolineshiel@outlook.com	
(e) Relationship to Applicant	Contracted ecologist	

art C	. The Applicat	ion
1.	Species of A	nimal: Please indicate which species is affected by the proposed works:
	 Bat Otter Kerry Slug Natterjack T Dolphin Whale Turtle Porpoise 	
2.	Please detail th	ne exact species (scientific name): Daubenton's bat Myotis daubentonii
3.	Please provide	the maximum number of individuals affected*16
4.	Please provide	the maximum number of breeding or resting sites affected*1
5.	Please provide	the maximum number of eggs to be taken*
6.	Please provide	the maximum number of eggs to be destroyed*
	Killarney FeSlender NaisMarsh Saxif	ad □ rage □
ъ.	•	ly received a derogation for any species of animal or plant please state licence infirm that you have made a return to NPWS on the numbers actually affected
	DER BAT 202	23-18
9.	-	es for Works: Please indicate the timeframe that you propose to carry es set by NPWS may differ from dates proposed here.
	Start Date:	1st October 2024

 b. To prevent serious damage, in particular to crops, livestock, forests, fisheries and water and other types of property c. In the interests of public health and public safety, or for other imperative reasons of overriding public interest, including those of a social or economic nature and beneficial consequences of primary importance for the environment d. For the purpose of research and education, of re-populating and re-introducing these species and for the breeding operations necessary for these purposes, including artificial propagation of plants e. To allow, under strictly supervised conditions, on a selective basis and to a limited extent, the taking or keeping of certain specimens of the species to the extent specified therein, which are referred to in the First Schedule Report Checklist: Please append a detailed report to support this application and ensthat it contains the following information: 11.1 Explanation as to why the derogation licence sought is the only available option for works and no suitable alternative exists as per Regulation 54 of the European Communities (Birds and Natural Habitats) Regulations. 11.2 Evidence that actions permitted by a derogation licence will not be detrimental to the maintenance of the populations of the species to which the Habitats Directive relates at a favourable conservation status in their natural range as is required under Section 54(2) of the European Communities (Birds and Natural Habitats) Regulations. 11.3 Details of any mitigation measures planned for the species affected by the derogation at the location, along with evidence that such mitigation has been successful elsewhere. 	 water and other types of property In the interests of public health and public safety, or for other imperative reasons of overriding public interest, including those of a social or economic nature and beneficial consequences of primary importance for the environment For the purpose of research and education, of re-populating and re-introducing the species and for the breeding operations necessary for these purposes, including artificial propagation of plants To allow, under strictly supervised conditions, on a selective basis and to a limited extent, the taking or keeping of certain specimens of the species to the extent specified therein, which are referred to in the First Schedule Report Checklist: Please append a detailed report to support this application and that it contains the following information: Explanation as to why the derogation licence sought is the only available option works and no suitable alternative exists as per Regulation 54 of the European Communities (Birds and Natural Habitats) Regulations. Evidence that actions permitted by a derogation licence will not be detrimental to the maintenance of the populations of the species to which the Habitats Directive relates at a favourable conservation status in their natural range as is required under Section 54(2) of the European Communities (Birds and Natural Habitats) Regulations. Details of any mitigation measures planned for the species affected by the derogation at the location, along with evidence that such mitigation has been successful elsewhere. As much information as possible to allow a decision to be made on this application. Declaration I declare that all of the foregoing particulars are, to the best of my knowledge and belief true and correct. I understand that the deliberate killing, injuring, capturing or disturbing protected species, or damage or destruction of their breeding sites or resting places or deliberate taking or destroying o	a.	In the interests of protecting wild flora and fauna and conserving natural habitats
 overriding public interest, including those of a social or economic nature and beneficial consequences of primary importance for the environment d.
